

C3607DA

36V Brushless Circular Saw with Multivolt Batteries

- High performance circular saw with high efficiency brushless motor
- Multi Volt batteries for high power output similar to mains powered tools
- Batteries are compatible with existing Hitachi 18V tools
- High overload capacity
- High cutting speed
- Silent mode reduces noise and improves motor efficiency
- Maximum cutting depth of 62mm
- Soft start for improved control
- Blower function and LED worklight for high visibility when cutting
- Fluorine coated base for smooth cutting
- Compact & lightweight design
