

VOLTAGE & MAGNETIC FIELD TESTER

JEFVOLTST02

- Portable AC voltage and magnetic field detector
- Illumination function
- Safe non-contact AC voltage detection
- Two sensitivity degrees for AC voltage detection
- Designed for indoor use
- Battery: 2x AAA
- AC Voltage Detection Range:
Low: 48-1000V
High: 12-1000V
- Magnetic Field Detection Range:
DC: 0.3mT
AC: 0.2mT
- Weight: 0.085kg
- Dimensions: 225 x 112 x 24mm

- IDEAL FOR:**
- Checking cable or wire has AC voltage
 - Locate a breakpoint in a wire
 - Locate a neutral wire
 - Detect AC/DC magnetic field

CAT.III
