

TUNDRA 1/2" DRIVE IMPACT EXTENSION BARS

- Dual hole configuration and ring groove for effortless attachment and removal
- Manufactured from Chrome Molybdenum steel for extreme impact durability
- 6-Point gripping for best fit and exceptional durability and lasting performance in high-torque applications
- Laser etched part numbers
- Suitable for use on all types of impact tools
- Non-slip hex geometry prevents socket and fastener rounding
- Square drive
- Ball deten design for better impact socket retention
- Further reach to easier access to hard to reach places
